

April/May Newsletter

Hi everyone,

We hope you are staying safe and are healthy. With recent updates from Governor Baker about schools remaining closed for the year, we want to check in with families and see how we can support YOU and our dancers during this time. We would appreciate if you could complete this survey: [TDC Check In Survey](#)

Some updates...

Online Classes

As of April 19, a majority of our dancers are now completed. Routines, lessons, supplemental videos, and activity pages have been posted in **Google Classrooms** for students. We ask that dancers check in on a weekly basis to review material. Some teachers are offering weekly Zoom classes as well so be on the lookout for emails with invites. If your dancer is confused about a section, please have them comment on the Google Classroom - we are happy to break down material.

If your dancer's class has not had a Zoom yet, (most Saturday classes), don't worry, Miss Lori and Miss Ari will be scheduling a Zoom check in shortly!

Tuition

Although we are not in the studio, our staff have been working around the clock to ensure that your dancers are still able to continue their dance lessons. With that being said, we had sent home invoices at the beginning of the month for discounted April tuition. If you are unable to pay at the moment or need accommodations, please let us know so we can plan ahead! Thank you to all of those who have paid their tuition and/or have made donations to the studio during this hard time. We greatly appreciate all of you!

Costumes, Recital, Picture Day

Costumes are still coming in and they will still be coming home. Only a few more classes are waiting for their orders to come in. Once they arrive, we will schedule studio times for classes to come pick up their costumes. We will be disinfecting all costume packages and taking extra precautions to keep costumes clean and safe for them to go home.

As of now, our **Recital** is still scheduled for June 13th; however, that is very subject to change depending on our situation. It is likely that this event will be pushed back if we are unable to access in - class, in - person studio time before this date. All updates will be posted via social media and email as soon as we have updates. Thank you all for your support and patience.

In regards to **Picture Day**, don't worry! This will be rescheduled!

Stay Connected

During this time, please stay connected with us via Facebook, Instagram, and Google Classroom. We are here to support our students - even if it's a FaceTime call, a Zoom call with their dance friends, or just to say Hi! Please continue sending us pictures and videos of

your dancer practicing! We are all in this together and must stay strong as a dance community!
