

Hello Everyone!

We hope that during these interesting times in our lives, you are managing to stay busy and healthy. We know we are trying our best. We hope that your dancers have been active on the Google Classrooms, practicing the exercises we have required and the resources we have provided. We have decided that we will continue taking extra precautions throughout the next week, so please see all updates below.

The studio will be closed next week from March 23 - March 28. We will continue all of our classes through Google Classroom. We are doing our work to become familiar with Zoom, an online video chat platform that would allow us to teach live classes. We will keep you all updated on that process. We will keep you all posted with Picture Day #1 info as we get closer, but as of now, all classes scheduled for that day can expect their photos to be taken on that day. We are taking this health crisis day by day and will keep you all updated with our plans!

Because the Governor has taken precautions and set limits on the amount of people able to congregate in an area, we have chosen to postpone our Recital Kickoff Banquet to June 13th. We will be providing more details as we approach that date. Additionally, we would like to notify all families that due to these restrictions, we have had to make adjustments to our recital plans, as no facilities are allowing crowds until after July. We are also planning to hold our recital on June 13th now, in conjunction with our Banquet! Recital will be quite different this year, as we will run it more like an outdoor festival! We know it's very different from what we are used to; however, we are making the best of the situation given to us and are excited that our dancers will still be able to perform. More information will be announced shortly!

With that in mind, please encourage your dancer to continue practicing, as they say, **THE SHOW MUST GO ON!**

We miss all of our dancers dearly and appreciate all the messages and photos! Keep sharing them! If you have any questions or concerns during this time, we are happy to help you. Please direct message us on Facebook or email us.

Dancingly Yours,  
Arianna, Courtney, Lori, & Janet
